Always:

- Check that your passport does not expire within six months of your return date.
- Book flights that are protected by an ATOL. Flights booked direct with an airline carry no financial protection. Book through a reputable agent or operator and ask the question 'Is this flight covered by an ATOL?'
- Ensure you have taken out good travel insurance and if going to Europe, take your EHIC (European Health Insurance Card) with you too. You can apply for a card at www.ehic.org Note: The EHIC does not cover you in the Channel Islands.
- Put the 24hour UK Consular Assistance number - +44 020 7008 1500 into your mobile telephone – just in case you need emergency help.
- If hiring a car, don't forget to take both parts of your photo driving licence (the card and the paper counterpart) and a credit card with you. Some rental companies no longer accept the old-style green paper non-photo driving licences.
- Ensure you have all the visas you need in order to travel.
- If you have booked connecting flights, the baggage allowance may be smaller than your long-haul flights. To avoid extra charges, pack to the lowest baggage allowance.
- Tell your credit card and debit card issuer where you are going and for how long otherwise you may find your cards may be blocked. Take a Cash Passport instead of your debit card – much safer.
- Use public transport to get to the airport. Most travel insurance will only cover you for a missed departure if you used public transport.
- Take a photocopy of your passport with you. If you lose your original it is much simpler to replace if you have a copy available.
- Protect your money and your holiday by booking an ATOL protected holiday through a reputable travel agent. Even short-breaks using no-frills airlines can be covered if booked through and agent.
- Declare all medical conditions and hospital visits at the time of taking insurance and tell the insurer if you develop a medical condition before you travel otherwise they may not settle if you try to make a claim.
- Travelling to or through the USA? You need a visa (called an ESTA) in order to travel. www.usembassy.org.uk
